Our Ref: LD/cc/school trips

18th March 2020

Dear Parent/Carer

Future trips and visits Spring and Summer Term 2020

We are aware that you may have questions regarding future trips and visits you have booked via Wisepay or with companies operating independently of the school.

As the current situation regarding Coronavirus continues to develop, with new guidance on a weekly basis, the school will make decisions on each trip or visit dependent on the following factors:

- How soon the trip is
- What specific guidelines have been issued at that time
- Where the trip is going

At present, the school has contacted parents and carers of any trip or visit that is departing in the next two weeks.

It is not possible to predict any further ahead at this time, but we will keep you informed of any further information we have as we receive it. We realise that being informed is essential and will endeavour to give you clarity when we are able to.

For those of you that have booked your child on a residential in Discovery Week, July 2020, we will continue with business as normal for the foreseeable future. If we are issued with any information from the Government, the Department for Education, the Foreign and Commonwealth Office or the companies with which we have booked the trips, we will inform you as soon as possible.

I thank you for your continued support.

Yours sincerely

Ms L Draycott
