Our Ref: LD/RH/cc/World Challenge cancellation

23rd April 2020

Dear Parents/Carers

World Challenge – Malaysia 2020

You will, by now, have had communication from World Challenge to let you know that this year's trip to Malaysia has been cancelled. We would like to extend our sympathies as your child will have been excited about this opportunity and will be disappointed not to be able to see the fruits of all their hard work and preparation for the trip.

World Challenge will have explained to you that they are working hard to recover costs from our suppliers and insurers where possible. As you can imagine, this will be a huge task and one which will take some time for them to complete. World Challenge are offering to issue your families with a Refund Credit Note for the monies they have paid to date.

A Refund Credit Note means that you can receive a cash refund or rebook a trip at a future date by the expiry date of the note. It also retains the financial protection that they had with the original booking, so their money is fully protected using this Refund Credit Note scheme until 31st January 2021.

Whether your child is continuing their educational journey with us at Barr Beacon School, or moving on in the future, we very much hope that the spirit of adventure will remain with them and that they have many more exciting expeditions ahead of them!

If you have any queries, please contact the school postbox at postbox@barrbeaconschool.co.uk

Yours sincerely

Ms L Draycott
