Our Ref: LD/DLE/cc/English group changes

26th February 2020

Dear Parent / Carer

We are committed to ensuring every one of our pupils receives the guidance they require so they achieve as highly as possible in each of their subjects.

Sometimes, this means that we move pupils to different groups where they can receive support more targeted to their needs.

To this end, from Monday 2nd March 2020, your child will be joining a different English group.

Please note that this is not set in stone forever. We are constantly monitoring your child's performance to make sure they are in the best possible group to meet their needs.

If you have any queries, please contact Mr Lowbridge-Ellis (Deputy Headteacher).

Yours sincerely

Ms L Draycott
Headteacher
