Our ref: LD/PK/cc/UKMT letter

29th June 2020

Dear Parents/Carers

Your child has been selected to participate in the UK Mathematics Trust Junior Maths Challenge on Thursday 2nd July 2020. The challenge can be completed at any time during the day between 9.00 am and 4.00 pm.

Normally, participating pupils conduct this challenge within school, but it is being run online this year and provides an opportunity for our talented mathematicians to compete against other pupils across the country. The event consists of a continuous 60-minute session where pupils will answer a series of problems and puzzles and there is the opportunity to complete a practice challenge prior to event as well.

The event instructions, including username and password, to access the challenge will be emailed to your child's school email by Mr J Davies (Director of Mathematics) on Tuesday 30th June 2020 in preparation for the event.

Pupils should message Mr J Davies directly via Microsoft Teams or by emailing postbox@barrbeaconschool.co.uk, if they have any questions.

Yours sincerely

Ms L Draycott
Headteacher
