Our Ref: LD/RH/cc/FSM pupil face coverings

10th December 2020

Dear Parent/Carer

Face coverings for Free School Meal pupils

We will be purchasing plain black reusable masks for our pupils who receive free school meals.

As your child qualifies for free school meals, they are entitled to collect two face masks from school. We are providing two masks per pupil owing to the need to wash face masks between uses. The masks come in their own sealable bags and we advise that your child keeps these in order to keep their mask safe.

The masks will be distributed from reception. Please advise your child to visit reception during a break or lunch sitting when they are in the hall to collect and sign for their masks.

Please follow the following link to see advice on how to safely wash and dry your child's face mask:

<https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/how-to-wash-cloth-face-coverings.html>

If your child is on the mask exemption list, then the face coverings are still available for collection if you wish for your child to do so. However, your child does not have to collect the face covering from reception.

Please contact us via postbox@barrbeaconschool.co.uk if you have any questions regarding the face coverings we will be providing.

Yours sincerely

Ms L Draycott
Headteacher
