RE: COVID-19 Winter Grant 2020

The Walsall Covid-19 Winter Grant Scheme has been set up to provide children and families with a little extra financial support this winter, helping to ensure that no one goes hungry or without essential utilities.

In your case we already have your bank account details, so Walsall Council can make the payment directly, via a bank transfer, into your bank account before 22 December. No further action is required from you.

For more information on Walsall's Covid Winter Grant Scheme please go to www.walsall.gov.uk/covid-19_information/coronavirus_covid_-_19_help_support_for_walsall_residents. You can also find details here about how to make sure that your family benefits from this grant (even if you are overdrawn). If you do not have access to the internet, and need additional advice, or support, you can call us on 0300 555 2855

An initial cash payment of £25 per child will be made to all families with children who are in receipt of Council Tax reduction. Council Tax Reduction is the discount scheme that provides support towards Council Tax payments for families on a low income.

We hope that you have a lovely Christmas and a Happy New Year.

Yours sincerely

Elise Hopkins
