# WELCOME

Dear Parents,

As an Outstanding school, we work hard to get the best for every single one of our pupils. With our Teaching School status we are called upon to share our expertise with other education providers to help them get the best for their learners too. We are always focused on making sure we secure the best possible future for the next generation and, being an outstanding SCITT (School-Centred Initial Teacher Training), this extends to our high quality teacher training.

Whilst future-focused in many ways, we hold on to the best parts from the past. We are traditional when it comes to discipline, courtesy and good manners. These values never go out of fashion and they underpin our drive for academic success.

Our school community is proudly diverse and we do not tolerate bias, prejudice or discrimination of any kind – whether conscious or unconscious – and we instil in our pupils nothing less than the urge to go out into the world and make it a better place.

I am immensely proud to work with so many supportive governors, dedicated staff and delightful young people. It is a privilege to be the Headteacher of Barr Beacon School.

Yours sincerely

Ms L Draycott  
Headteacher

## ADMISSIONS ARRANGEMENTS

**PUPILS WILL BE ADMITTED AT THE AGE OF 11 YEARS WITHOUT REFERENCE TO ABILITY, APTITUDE, RACE OR RELIGION.**

The number of intended admissions in September 2020 will be 252. Where applications for admission exceed the number of places available, the following criteria will be applied:

**1. Children in Public Care** (looked after children) & previously looked after children.

Definition: children who are in the care of the local authority or provided with accommodation by the local authority. Previously looked after children who ceased to be looked after because they were adopted or became subject to a residence order or special guardianship order.

**2. Where a child has an older sibling currently attending** the school when the application is made and who will be still attending the school in years 8-11 in September of the relevant year. Siblings of Sixth Form students DO NOT qualify for a sibling claim.

Definition: a child who resides at the same address as the child for whom a place is being requested and is one of the following:

- A brother or sister sharing the same parents
- Half brother or sister sharing one common parent
- Step brother or sister (i.e. related by parent's marriage)
- Any other child for whom it can be demonstrated that he or she is residing permanently at the same address (e.g. under the terms of a residency order).

**3. Where there are essential medical or social grounds** for admitting the child.

Definition: relevant medical or social grounds that show that attendance at the school is essential and supported in writing by a medical practitioner or social worker. Requests for such consideration will be subject to verification by the Governing Body.

**4. Children of Staff employed at The Academy.** Where a member of staff (all full time teaching and support staff determined as those on a 37 hours a week and above contract) has been employed at the academy for two or more years at the time at which the application for admission is made/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage/or the member of staff has been seconded to support other schools within the Matrix Academy Trust.

**5. Pupils from feeder Primary Schools** - Meadow View JMI, Park Hall Junior Academy, Pheasey Park Farm Primary living within 2.9 miles of Barr Beacon School, as measured by a straight line. In the event of over-subscription from feeder primary schools, students living closest to Barr Beacon School will be given priority.

**6. Proximity of the child's home** to the school, with those living nearest being accorded the higher priority, distance being measured in a straight line.

### **WAITING LIST POLICY (YEAR 7 INTAKE)**

Until 31st August 2020 parents may enquire about their child's position on the Waiting List by contacting the Admissions and Pupil Place Planning Team on 01922 652585. From 1st September 2020 the waiting list will be maintained by the school and parents should make enquiries by contacting Barr Beacon School Admissions on 0121 366 6600.

From the 1st September 2020 parents wishing their children to be placed on the Waiting List should contact Barr Beacon School Admissions in writing to make their requests.

### **IN-YEAR ADMISSIONS**

Applications for in-year admission (age groups other than the normal year of entry) must be made directly to the school.

### **APPEALS**

Parents whose children are refused admission to the school have the right to appeal to an independent appeal panel. The necessary forms and information should be obtained from the Clerk to the Appeals Panel, Barr Beacon School, Old Hall Lane, Aldridge, Walsall, WS9 0RF to whom completed forms are returned. Please mark the envelope ADMISSION – APPEAL.

Appeals in respect of Year 7 intake for September 2020 should be lodged by Friday 24th April 2020.

### **ENTRY REQUIREMENTS FOR YEAR 12 ENTRY IN SEPTEMBER 2020**

Pupils will be considered for entry into Year 12 based upon their academic attainment and/or individual subject grade criteria and the availability and suitability of courses at Barr Beacon School.

Barr Beacon School's minimum entry requirements for post 16 studies are as follows:

The minimum entry requirement for admission into Year 12 is 4 grade 9 – 4s at GCSE in 4 different GCSE subjects AND English (either Language or Literature) AND Maths requiring Grade 5.

Pupils refused a place in Year 12 are entitled to appeal to an independent appeal panel

To progress from Year 12 to Year 13, students must meet the academic selection criteria we set. Students will be notified of these criteria prior to them taking up their places in September of Year 12.

## INDIVIDUAL APPOINTMENTS

A new parents' evening is held in the Summer term for the parents of pupils who will be joining the school in the following September. At this meeting there is an opportunity to meet Heads of House and the Senior Leadership team.

We are always keen to see parents/carers about any aspect of a child's education. It is vital that appointments are made to ensure that you see the appropriate person. Whenever you contact the school, please give the name of your son's/daughter's Form Tutor, group and Head of House.

## PROGRESS EVENING

One Progress Evening is arranged for each year group during the school year. Sixth Form will have two progress evenings. You will have the opportunity to make an appointment with your child's teachers on-line. You will be informed of the dates and they will be published on the school's website. It is expected that all parents/carers will attend all Progress Evenings.

## REPORTS

Effort, homework and attainment grades are issued termly to parents to keep them informed of their child's progress and you will be reminded by text message. A summary report is sent home at the end of each year. If, on any occasion, you do not receive a report, you should immediately let your child's Head of House know.

## VISITS TO BARR BEACON SCHOOL

New pupils are invited to visit the school for an induction day in July during a normal working day. Senior staff visit primary schools to talk to staff and pupils to ensure a smooth transition.

## WHAT OUR PARENTS/CARERS SAY

- "The values that Barr Beacon instils in it's pupils should be universal values that everyone lives by."
- "Pupils here are pushed and prepared for life."
- "High standards are why I sent my child here. Thank you".

# SUPPORTING OUR PUPILS

A Level Results Day

## **LEARNING SUPPORT**

Barr Beacon School is an inclusive school, this means pupils will be supported mainly in the classroom through quality first teaching. If a pupil has an Educational Health and Care plan in place, specialist staff will support the pupils in the classroom, or provide materials to help scaffold the teacher's work. Where special needs of a registered disability are identified, every effort is made to make special provision for pupils within the resources available. Children with specific learning needs may be invited to attend a range of clubs both before and after school to boost weaknesses in areas as specified by the Code of Practice. Wheelchair access is currently only available on the ground floor, except in the Sixth Form block, the Creative Arts block and B block where there are lifts.

## **SPECIAL EDUCATIONAL NEEDS AND DISABILITY PROVISION**

Barr Beacon provides a broad and balanced curriculum for pupils of all abilities. Whatever ability, each child is encouraged to reach her/his potential. Recognising that some children may require extra support, there is a range of provision on offer to match individual children's needs. The SEND Coordinator has the responsibility of ensuring the Code of Practice is implemented. All staff take responsibility for meeting the additional needs of the pupils that they teach. Parents are fully involved in the process of monitoring their child's progress. The school encourages active involvement of parents in the learning of all children, understanding that regular communication plays a vital role in the success of each individual. Pupils with additional needs experience a range of teaching strategies including reading withdrawal, small group work and in-class support.

## **MOST ABLE**

We believe that everyone should aspire to achieve as highly as they can. To this end, although pupils are stretched at Barr Beacon regardless of their academic potential, we provide more able pupils with opportunities such as MENSA testing, visits to and talks from university staff and activities that challenge and push them out of their comfort zone. We raise the aspirations of more able pupils through a range of speakers from professions such as medicine and law, visits and targeted career advice. The school has strong links with a range of Russell Group universities including Oxford and Cambridge. More able pupils are given the opportunity to attend residential summer schools and a range of workshops at such universities in Years 10-13.

**IF THE SCHOOL HAS ANY CONCERNS REGARDING ANY PUPIL WITH REFERENCE TO SAFEGUARDING, WE WILL ALWAYS MAKE A REFERRAL TO CHILDREN'S SERVICES.**

## PASTORAL CARE

All staff are committed to developing pupils' social skills, attitude, academic progress and their personal welfare. All staff are involved in this work. In particular, Form Tutors are directly responsible for the progress of their tutees and work closely with Heads of House and Assistant Heads of House, who lead the teams of Form Tutors within each House group. We expect pupils to do well at Barr Beacon and there is a positive reward system for academic achievement and effort.

The school's first priority, over and above all other responsibilities, is the welfare of pupils. If staff are concerned about the welfare of any pupil, parents are usually the first to be contacted. If the concerns are sufficient to suggest that there is the possibility of abuse, then staff will contact the appropriate Child Protection Agency, usually Children's Services with or without parental consent.

The school is aware that this occasionally causes problems in relationships with parents. But if the school is concerned about a pupil, there are procedures which we have to follow to ensure their safety.

We do share information as part of our multi-agency agreement with Health Services, Police, Children's Services and other agencies where appropriate. In order to safeguard pupils, Barr Beacon is a no mobile phone site for Years 7-11.

### SCHOOL SECURITY

We aim to keep all of our pupils safe. There are CCTV cameras around the school. CCTV images may be used from time to time to ensure the safety of pupils, visitors and staff and the protection of Barr Beacon School's grounds and contents. Parents are asked to contact school first if they wish to make an appointment to see a member of staff, and on visiting school report directly to Reception.

When entering or exiting through the main entrance gate during the school day could you please ensure you allow the gate to shut behind you. Please do not hold the gate open for other visitors or pupils to enter or leave the school site. The gate is in place as a security measure for the school and allows us to know and monitor who is coming onto and leaving school site. All visitors need to communicate with reception via the intercom before entry is granted.

We will act to ensure Barr Beacon remains a safe place for pupils, staff and other members of the community. People who threaten or assault anyone in the school, or persist in abusive behaviour, will be asked to leave the premises and we will request that the Police prosecute.

### DISCIPLINE

Rules are simple and are kept to a minimum. At all times there should be courtesy and consideration for the needs, convenience and safety of other people. The school rules are set out in the school's behaviour policy and the school booklet 'Introduction to Barr Beacon school' which can be found on our website. Heads of House and other pastoral staff will investigate concerns and this may involve speaking to your child in school.

Discipline is firm and consistent on the basis that children respond to the high expectations placed upon them. When punishment needs to be administered it usually consists of a reprimand, detention, referral to Director of Learning, referral to Head of House, Senior Pastoral staff or a warning letter.

On rare occasions, a senior member of staff is involved and parents may be invited to the school to discuss particular problems. A variety of strategies are used to improve behaviour. However, in serious or persistent cases of indiscipline, exclusion from school will result.

PARENTS WILL BE REQUIRED TO COLLECT ANY CONFISCATED ITEMS. IF THEY ARE NOT COLLECTED WITHIN FOUR WEEKS THEY WILL BE DISPOSED OF.

A LIST OF REQUIRED EQUIPMENT CAN BE FOUND ON THE SCHOOL WEBSITE.

## PUPIL EXPECTATIONS

### ATTENDANCE

We expect your child to attend at all times. If a child does not attend school they will not learn. All parents of a pupil who will not be attending school through illness, etc are required to telephone the school office before 9.00am to give the reason. A note, signed by a parent or guardian confirming the reason, must be brought after every absence, otherwise the absence will be recorded as unauthorised. By law only the school can authorise an absence. Pupils are registered at 8.50am every morning.

The Local Authority's Educational Welfare Service investigates unexplained absences. It is essential that pupils attend school regularly. We believe that school attainment and success are closely linked with regular attendance. Dental or medical treatment should be arranged after school, or during school holidays. If your son's/daughter's attendance is below 90% they will be monitored by the Education Welfare Service.

If, for very exceptional circumstances, you need to request absence from school for your child during school time you should apply to the school, 8 weeks prior to the known absence, for an official Pupil Absence from School form.

Once this has been returned to the school, the school will confirm whether the absence is authorised or unauthorised. We do NOT authorise holidays during school term time. Research has found that two weeks absence can seriously affect examination results.

**By taking time off school for holidays parents are encouraging their child to fail. Cheap holidays will reduce the academic achievement of your child. Our "attendance matters" booklet which is on the school website gives further details regarding attendance including penalty notices.**

### HOMEWORK

All pupils will be expected to do homework. The amount set will be appropriate to the age and different needs of pupils.

### EXPECTATIONS

At Barr Beacon School the expectation for our pupils in both behaviour and achievement is extremely high. We expect pupils to be polite, orderly and considerate of others and of property.

Barr Beacon is a school where pupils learn and therefore high standards of behaviour are expected in and out of classrooms. This ensures all pupils can learn effectively. No one has the right to spoil other pupils' learning. A positive, caring atmosphere based on an ethos of mutual respect provides a working environment where youngsters can reach their full potential. We need your support to ensure that we work in true partnership to support your child.

## CURRICULUM

Our curriculum provides pupils with the knowledge and experiences which will interest them and empower them to thrive in the workplace and make informed contributions to our democratic society.

### **YEAR 7 AND YEAR 8**

Following close consultation with primary schools, pupils (on entry to the school) are allocated to a tutor group in one of 10 forms. Each form belongs to one of four houses - **Bredon**, **Clent**, **Malvern** or **Wrekin**.

The subjects they will study are: English, Mathematics, Science, a Modern Foreign Language (German or French), Geography, History, Religious Education, Art, ICT/Computer Science, Dance, Drama, Food, Textiles, Physical Education and Personal Social and Health Education. Pupils will study the same language in Years 7 and 8.

In order to offer a curriculum appropriate to all needs, some pupils will follow a course in Literacy. Pupils are allocated to a teaching group commensurate with their prior attainment. The school operates a one week timetable of 25 teaching hours. Each lesson lasts 60 minutes.

### **YEARS 9, 10 AND 11**

Information is given by means of a Pathways booklet and a meeting held for parents during the year to make choices for Year 9. Parents and pupils may discuss the choice of their option subjects with a member of the Leadership Team if required.

All pupils continue with a broad-based educational programme, including the core of English Language and English Literature, Mathematics, Science, Physical Education and Personal Social and Health Education. The last two are non-examination subjects.

Personal Social and Health Education deals with vocational guidance as well as moral, religious, economic, citizenship and health issues. Pathways choices will include a small number of vocational courses and GCSE subjects.

Pupils follow a Science course which will include all three Sciences and will result in 2 GCSEs. Some pupils follow three separate Science courses.

There is setting in English, Mathematics and Science. In all other subjects pupils are taught in mixed ability groups.

Opportunities to experience Citizenship, RE and STEM activities will occur throughout the year for all year groups.

### **EXAMINATION POLICY**

The school enters pupils for GCSEs, A Levels and BTECs. Although in a very few cases it may not be considered appropriate to enter pupils for external examinations, it is the school's policy to enter all pupils who have completed the course.

Sixth formers sit exams at the end of Year 13.

We will endeavour to enter any pupil who is fluent in reading, writing, speaking and listening in any language for a GCSE in this language.

## RELIGIOUS EDUCATION

Religious Education takes place throughout the school and there is a moral education element as part of Personal Social and Health Education in Year 9, 10 and Year 11. All pupils are given the opportunity to discover Christian heritage and beliefs in comparison with the central elements of other world faiths.

Religious Education is an important part of the school's cultural and moral education. Parents have the right to withdraw their children from all or part of Religious Education and acts of collective worship on the grounds of religious conscience. Contact the Headteacher in writing to request withdrawal.

## E-SAFETY

We work hard to promote e-safety with all of our pupils. The disadvantages and advantages of electronic information sharing is covered in lessons, assemblies and by our e-safety working group 'Digital Leaders'.

## SEX EDUCATION

Appropriate and responsible sex education is an important element in preparing pupils for adult life. We strongly recommend all pupils attend these lessons. Parents are the key figures in helping their children to cope with the physical and emotional aspects of growing up and in preparing them for the challenges and responsibilities which sexual maturity brings.

The teaching offered by the school is complementary to and supportive of the role of parents. However, some parents may not feel able to discuss sexual matters fully and freely with their children and because of this the school has a clear responsibility to ensure that pupils are adequately prepared for adult life.

The physical aspects of sexual behaviour are covered within the teaching of Science. This begins in Year 7 and various aspects are taught throughout the first three years. Emotional and health aspects of sex and relationships are addressed in the taught PSHE programme for Years 7-11 through lessons.

## READING

Pupils are expected to have a reading book in school each day. Wider reading for individual subjects and reading for enjoyment will enhance your children's access to the curriculum. We encourage you to promote reading at home and in school.

In Key Stage 3, Form Tutors will read with their form groups to develop the reading skills of inference and deduction as well as encourage discussion amongst peers. Pupils should be reading independently at home and we request that parents support us with this.

First Aid Training

Sports Day | Alexander Stadium 2019

## SPORT AND PERFORMING ARTS

Sport is a very important and vibrant part of pupils' lives at Barr Beacon School. The school's philosophy is to provide opportunities for all at a level appropriate to pupils' abilities in a wide range of sporting activities. Our intention is that all pupils enjoy their physical educational experience and develop self respect, teamwork, confidence and the sporting competence they need to participate in physical activity out of school hours and in later life.

In Key Stage 3, pupils follow a broad and balanced curriculum from the areas of games, gymnastics, swimming, athletics and outdoor adventure activities, whilst also following a course in health related fitness. All pupils will also have dance and drama lessons.

During Key Stage 4, pupils are able to select the activities they wish to pursue including traditional competitive team games and fitness and health based activities.

### THE SCHOOL FACILITIES FOR SPORT INCLUDE:

- Gymnasium
- Multi-purpose sports hall
- Upgraded 25m swimming pool
- 3 football pitches and a rugby pitch
- Purpose built dance studio
- Drama studio

Barr Beacon School operates an extensive Extra Curricular sports programme including a wide range of competitive and non-competitive activities in which all pupils are encouraged to participate. We encourage competition in sport and regularly enjoy success in a range of sporting activities at district, county and national levels. We hold an annual Sports Day (weather permitting). When a pupil regularly attends Extra Curricular activities, they may have the honour of being selected to represent the school. To achieve success in sport, and all areas of life, it takes dedication and commitment. This is something Barr Beacon strives to instil in its pupils through sport.

Pupils will be encouraged to participate in our regular Performing Arts evenings throughout the year.

### DUKE OF EDINBURGH

During 2018/2019 there have been over 100 pupils complete either their Bronze or Silver Duke of Edinburgh Award. Each of these pupils has participated in volunteering, physical activities and skill based learning both inside and outside of School. Pupils will have the opportunity to join Duke of Edinburgh in Year 9. To prepare them, all pupils receive extensive training on a range of skills from map reading to camp craft.

Pupils now have the opportunity to complete their Gold Award in Sixth Form, where students will participate in expeditions in the Peak District and Snowdonia.

Careers Day 2018

At Barr Beacon School we work in partnership with a range of employers and education providers to offer a wide ranging, inspiring and exciting careers programme for everyone. Barr Beacon School has been recognised for its excellent work within careers and is the proud recipient of the Gold Quality in Careers Standard. In 2018, we were appointed as the Lead School for Walsall in the Black Country Careers Hub. For the past year and moving forward, we are going beyond simply helping our own pupils, and have built strong partnerships with local schools to share best practice and improve careers education for every child in the Black Country.

We offer impartial, well-informed, up-to-date advice and guidance on the full range of opportunities available. As well as providing a large selection of careers events and activities throughout the year, which are tailored to the needs of each pupil, we also take a whole school approach to careers education. All staff, our Careers Champions, our Alumni, local employers and higher education representatives help to drive forward a programme which raises aspirations, challenges stereotypical thinking and promotes equality and diversity.

The careers programme at Barr Beacon School goes beyond helping pupils to figure out what their next steps should be; it helps pupils to continually develop the essential employability and life skills to make successful applications to their chosen pathway. We recognise the changing face of the working world. Our pupils need to be prepared for the evolving working world and so, at the heart of our Careers Programme, is a focus on building up essential lifelong employability skills. Our Skills 4 Life approach helps pupils to see the value in everything they do for their wider careers and teaches the philosophy that careers education is a life long journey.

A detailed plan for our Careers Programme can be found from the Careers tab on our website and is mapped to the 8 Gatsby Benchmarks of Good Careers Guidance

### **SMART PROFILE**

When children enter Barr Beacon School in September they will begin the process of recording achievement and career goals. This process will continue throughout their school career until they complete their compulsory education. The Smart Profile has been designed to support pupils and help in the process of setting targets and achieving success in academic skills, personal life and future careers.

The smart profile will develop into an online folder of evidence, which may be asked for at interview for employment, apprenticeships and Sixth Form or College placements.

## EXTRA-CURRICULAR ACTIVITIES

Florida 2019

All pupils are encouraged to develop an interest and participate in the wide range of activities which take place outside the normal school timetable. We encourage all pupils to actively involve themselves in extra curricular activities. We expect every child to be involved in at least one extra curricular activity. A copy of the Extra Curricular Programme is available on the school's website. This programme is updated each term.

An extensive programme of educational journeys, camps and field studies, both in this country and abroad, is undertaken each year. Fieldwork associated with examination courses is also a regular feature of the school's academic life.

A wide range of clubs and activities take place after school. There are many Performing Arts and sporting activities in which the pupils may participate and the school takes part in competitions and shows with other local schools.

An annual Discovery Event offers pupils opportunities to take part in a wide range of residential and non-residential activities.

Homework Clubs run every night from 3.00pm to 4.00pm.

## INTERNATIONAL OPPORTUNITIES

All pupils in their time at school will have the opportunity to explore the wider world with various international visits planned every year. The following trips are planned for **2019-2020 and 2020-2021.**

Camps International Cambodia  
Ski Trip to America

Erasmus Project to Sweden  
France Matrix Football Tour

Pupils gain valuable experiences from their time abroad. All trips support our cultural capital ethos which helps pupils' personal development for life after their time at Barr Beacon School.

## PUPIL VOICE

The views of pupils are heard and valued through the School Council, Career Apprenticeship Champions, Prefects, Senior Team, ECO Team, Local Youth Parliament, Anti-Bullying Champions, Digital Leaders, Mental Health Champions and Sixth Form Subject Representations.

## RAF CADET FORCE

Pupils will have the opportunity to apply for a place at the end of Year 8. The cadet force will provide a wealth of varying activities from drill, parading, weapon training and a host of outdoor activities.

# INTERNATIONAL SCHOOL

We are committed to making sure Barr Beacon plays an important part not only in the local community, but also the international community. Throughout their time at Barr Beacon, pupils will have the opportunity to take part in international projects such as the Sicillian exchange, Camps International (Cambodia 2020), Matrix Sports Tour and the Erasmus programme.

Barr Beacon School is also an International Immersion school working with agencies to support the opportunity for students around the world to experience the English education system and to develop their English speaking skills. Most recently, we had a group of Chinese pupils and their teachers in school for a week, learning about the English education system. Pupils at Barr Beacon have the opportunity to play a significant role including being 'buddies' for international visits.

We are always:

-  Developing closer links with our community through partnership working.
-  Developing international links and global partnerships.
-  Increasing social cohesion through a greater awareness of cultural diversity.

The 17 UNICEF Global Goals were agreed by world leaders in 2015 to end World Poverty, fight inequality and stop climate change by 2030. Barr Beacon School is proud of its links with 17 Global Goals which support the PSHE programme and are embedded with the work we do on our international projects.

As an E-Twinning school, the Global Goals supports the work we do with any school-to-school project across our European partnerships. Our staff are committed to the goals and, through attending European led workshops, find new ways to start project with other international schools.

## POST-16

All students have the opportunity to select from a variety of courses at A Level or BTEC National Award standard.

Students can study up to 3 A levels, 3 BTECs or a combination of A levels and BTEC courses in Year 12. Students continue with 3 courses into Year 13. Every student who applies to the Sixth Form is given a personal interview with the Sixth Form Leadership Team in order to discuss career aspirations, university choices, apprenticeships and subject options. In this way, the school can personalise the timetable for each student.

All students follow a comprehensive PSHE course that is designed to explore careers, health, apprenticeships, university applications, current affairs, revision and wider reading skills, matters of citizenship and personal education. All students experience a period of enrichment on a Wednesday afternoon.

A wide range of courses are available to broaden the mind and body, including yoga, badminton, crochet, cooking on a budget, the Extended Project Qualification and many more.

In addition, the Sixth Form offers a wide range of opportunities for students to gain more experience, through conferences to medical schools, work experience placements and higher education courses whilst they study for their Level 3 qualifications.

Finally, we offer close pastoral support to all of our students to ensure that they perform to the best of their ability and reach the universities and higher apprenticeships of their dreams. Outstanding university guidance enables students to select the most appropriate pathway.

All Sixth Form students are expected to wear business suits.

## ALUMNI

Our Alumni Network ensures all former pupils, past and present, keep in touch with the school. An alumni mentoring scheme will begin, offering advice, application support and mock interviews to pupils. The alumni will also be invited into school to talk about their journeys and inspire our pupils to consider new career pathways. Developing stronger links with our alumni will bring about new opportunities for our pupils, enrich the delivery of our careers programme and allow us to proudly showcase the many wonderful achievements of our former pupils.

## FURTHER INFORMATION

### BICYCLES

No cycle may be brought on to the premises unless it is mechanically safe and pupils who cycle will be expected to have attained a satisfactory standard of proficiency. All reasonable care will be taken, but the responsibility for the safety of cycles and accessories will remain with the owners. Cyclists are advised to padlock their cycles. Cycling helmets are strongly recommended. We promote cycling by the provision of a cycle shelter.

### COMPLAINTS PROCEDURE

If you wish to make a complaint about the school, in the first instance, you should contact the Headteacher in writing. Your complaint will be investigated following the Governors' Complaints Procedures, a full copy of which is available at the school and on the school website.

### EMERGENCY CONTACT

Please ensure that emergency telephone numbers (work phone number, mobile phone numbers etc) are kept up to date. Notify any changes of address, telephone, emergency contact, etc to the school office immediately. Schools are required **by law** to have two emergency contacts per child.

### SCHOOL BUS SERVICE

School bus services are provided, each morning and at 3pm, on the following routes: 881, 705 & 788.

Further details are on our website.

### FREE SCHOOL MEALS

Pupils eligible for free school meals will receive funding for their daily lunch. Many other opportunities are provided to support pupils academic achievement and additional learning resources are provided to enable independent access. It is a parent or carer's responsibility to apply for free school meals for their child. If any support is required with this process, please contact the school reception who will be able to assist. It is a parent or carer's responsibility to inform Barr Beacon School if there is a change to circumstances that may affect their child's free school meal eligibility. For further details about eligibility and to apply please visit [www.barrbeaconschool.co.uk/fsm](http://www.barrbeaconschool.co.uk/fsm)

### EQUALITY AND DIVERSITY

The belief that everyone deserves to be treated equally, including having the same opportunities, is central to everything we do at Barr Beacon School. There are many events throughout the year to promote the school's culture of equality and diversity.

### MENTAL HEALTH

We work hard to promote a positive Mental Health for all of our pupils. As part of this we have Mental Health Champions that provide support and encouragement for all to engage in important activities that promote a positive Mental Health such as exercise, talking to friends and family and being creative. Our five steps to a positive Mental Health are:

- **Connect** – Talk with Family. See friends. Share
- **Keep Learning** – Read for fun. Teach yourself. Grow.
- **Be Active** – Walk. Cycle. Run around. Keep Well.
- **Take Notice** – Look around you. Listen. Rest. Be.
- **Be Creative & Play** – Draw, Paint, act. play more. Dream.

## CHARGES

### PUBLIC EXAMINATIONS

All pupils are entitled to be entered by the school for any prescribed examination which they have been prepared for by the school, except:

Private examination entries may be made and paid for by the parents if the school has not prepared the pupil for this exam.

Fees charged by Examination Boards for checking and re-marking public examinations are chargeable to parents when parents request this.

If a pupil fails to complete the examination requirements for any public examination for which the school has paid or is liable to pay an entry fee, then the fee will be recovered from the parent. Failure to complete the examination requirements includes failure to complete the coursework requirements and/or failure to sit the final examination(s).

If a pupil fails to complete the examination for medical reasons and provides certified medical evidence then grades may be awarded. This is a very rare occurrence and only applies with a serious medical problem, e.g. hospitalisation on the day of the exam.

When a pupil retakes a BTEC external assessment for the third time they will be required to pay the examination entry fee.
