Our Ref: LD/DLE/CateringUpdate

19th January 2021

Dear Parents/Carers,

Pupils in school need to bring their own packed lunches

Please note that, after this week, our school kitchens will not be operating for the remainder of lockdown. This means that pupils who are in school will not have the opportunity to buy food in school. They will need to bring in a packed lunch from Monday 25th January onwards. They will also need to bring in snacks if they want to eat at break time.

Parents/carers of pupils who are on Free School Meals will be receiving a food voucher worth £15 a week from which they can purchase the ingredients to make up packed lunches.

Yours sincerely,

Ms L Draycott
Headteacher
