Our Ref: LD/DLE/RemoteEducationUpdate

19th January 2021

Dear Parents/Carers,

Remote education feedback

Thank you for all of the lovely feedback we have received about the remote education we are providing. We are publishing these comments (anonymised, unless from Twitter) on our website:

<https://barrbeaconschool.co.uk/feedback/>

Please keep the feedback coming! As with any communications, you can send feedback to postbox@barrbeaconschool.co.uk

Parents/carers should not be using Teams

We know that many of you are helping your children to get to grips with this new world of online learning and we thank you for everything you are doing. Sometimes, parents have contacted teachers to try to sort out technology, resources, etc. **Please ensure that only pupils themselves are using Teams. Our teachers have been instructed not to reply to any parental communication.** Please use the usual postbox address (above) instead. If there is anything pastoral you need to update us on, please continue to phone your child's House office or the Sixth Form office, selecting the appropriate option when you phone 0121 366 6600.

Pupil outcomes

We are featuring some examples of excellent pupil outcomes on our website here:

Please continue to encourage your child to send in their work to their teachers and it may be chosen for display on our website (we will always ask their permission first).

Thank you for your continued support.

Yours sincerely,

Ms L Draycott
Headteacher
