14<sup>th</sup> January 2021

Dear Parents/Carers,

### Exams Update – Year 11

The government has announced that BTEC exams scheduled in February and March will **not take place**. The full announcement from the Department for Education is [here](#).

On the website of Pearson (the exam board for BTEC), it states that Ofqual (the government exams watchdog) will “shortly be consulting on what the alternative assessment arrangements should be”.

As soon as we know more, including how this affects particular subjects, we will be in touch.

In addition, the NCFE Health and Fitness exam on 10<sup>th</sup> March will not be going ahead either.

In the meantime, all pupils should continue to attend all scheduled lessons on Teams.

Yours sincerely

Ms L Draycott  
Headteacher
