Dear Parents/Carer

### **Cambodia 2021**

We are writing to advise you formally that we have contacted Camps International to inform them that we are withdrawing from the Cambodia Expedition as a school.

We believe that this is the right decision to take on behalf of our families and the only decision to take in light of the current situation regarding the pandemic.

The process that will now begin is that we will make a claim via our school insurance for up to 50% of the cost of the trip. Camps International will then honour anything over 50% of the trip. We will keep you informed of any developments during this process.

Having spoken to you personally, we know that you will feel relieved that this step has been taken. Under the circumstances, we hope that this will bring you some peace of mind.

Yours sincerely

Ms L Draycott
