Dear Parents/Carers

This week, members of my Leadership Team were on duty in the local community and have witnessed an incident, which could have resulted in Barr Beacon School pupils being seriously injured.

A group of local youths, who do not attend Barr Beacon School, set off several large fireworks in the car park of the Cat & Fiddle pub, as Barr Beacon School pupils were walking past (it was lucky no one was hurt). This could have resulted in a serious injury to one of my pupils or staff. When my staff addressed the youths, they were verbally abused with discriminatory comments.

While these incidents are being treated very seriously by the police, we need your support in keeping your children safe.

We are insisting that any Barr Beacon School pupil we find hanging around in the community returns home immediately and we urge you to reinforce this message with your child:

Do not hang around in the community - come straight home.

I thank you for your continued support.

Yours sincerely

Ms L Draycott
