Personal Statement

You must include a personal statement. You can use the back page or attach a separate sheet.

Paragraph 1

Interests/Hobbies: What makes you stand out from the crowd? What are you 'geeky' about?

Paragraph 2

School and Personal Achievements: include responsibilities in school and out of school that you have had.

Paragraph 3

Why do you want to continue your studies to Sixth Form level here, at Barr Beacon School?

Write about the courses that you are interested in and briefly explain why.

Paragraph 4

What are your plans for your future? You will need to explain what you intend to do when you leave Sixth Form. This will help us guide you towards choosing the right courses.

If you have a specific destination in mind, make sure you mention this. E.g. I want to study Psychology at a local university, possibly Birmingham. I would like to take up a Higher Apprenticeship in the finance sector.

Subject Choices

Look carefully at the subjects below. The table gives an indication of popular subject combinations.

You need to select 3 subjects from 3 different columns plus Study Hall from the remaining column.

If you wish to take a Double BTEC you must select the single as well (this will take up 2 of your 3 subject options). Singles can be taken by themselves. Examples of different combinations are in the prospectus.

Interview Preparation

During your interview, you will be asked to show certificates that you have achieved, your most recent report, attendance figure and anything else you are proud of. If you have a progress file, make sure you bring that along. Also, bring any information that you have on career planning.
