Dear Parents/Carers

Next year a big transition for your child approaches, as they decide on their next steps choices after Year 11. The Careers Team will be here to support your child every step of the way.

Every pupils will be offered a one to one guidance interview with our Careers Adviser. These interviews will begin in February and continue until the autumn term of 2022. As your child moves into Year 11 we will continue to support them with tailored events, assemblies and careers lessons to help them make their next steps decisions.
