Dear Parent/Carer

Year 11 Mock Examination Revision Focus

Barr Beacon School
www.barrbeaconschool.co.uk

Further my recent letter about the updates from the exam boards published on 7th February 2022, details of which can be found here: <https://bit.ly/3sChi9A>, I write to update you on the information that pupils will be assessed on in the mock examinations.

Each department has created a summary of information that pupils will be examined on in the mock examinations that begin on 28th February 2022. The content of the examinations reflects the details that the exam boards have released. The mock exams will not include topics that are yet to be taught.

You can find the summary documents here: <https://bit.ly/3sQ8e0X>

In addition, please follow this link <https://barrbeaconschool.co.uk/breakfast-revision-sessions/> to access the details about the breakfast sessions that are running during the year 11 mock examinations. Please note that pupils must arrive on site at 8.00am, collect breakfast from this bistro and arrive at the designated room by 8.15am. No entry to the school site will be permitted after 8.15am until the gates open for normal entry at 8.30am. There is no charge for the light breakfast available.

If you have any questions, please contact postbox@barrbeaconschool.co.uk

Yours sincerely
