11<sup>th</sup> February 2022

Dear Parent/Carer

**Exam Updates Year 13 – Released 7<sup>th</sup> February 2022**

Barr Beacon School  
www.barrbeaconschool.co.uk

As you will know on 7<sup>th</sup> February 2022, exam boards released details of the refinements that will be made to what students are assessed on in the external exams this summer. In some instances, there are detailed amendments, while in other subjects there is very limited impact and few changes.

Each Director of Learning has digested the alterations to their subject areas and will focus the curriculum and revision for their students and classes. Teachers will discuss the changes with students in lessons. Students will be helped to understand how the changes will affect their examinations, where applicable.

We have gathered all of the relevant links to the exam boards for Key Stage 5 here <https://bit.ly/3rGH7Gj>. Each exam board provides information about the changes to their exam series.

We advise accessing the information to support your child to understand what changes have been made and how this will impact upon them in their forthcoming exams.

The mock exams for Year 13 begin on Monday 7<sup>th</sup> March. The mock examination timetable can be found here <https://barrbeaconschool.co.uk/exams/>
