Dear Parent/Carer

Diana Awards –Mentoring Programme

I am delighted to advise you that the Diana Award's Peer Mentoring Programme that your child has been participating in will be recommencing next week.

The sessions will take place during Thursday mornings on the following dates:

- Thursday 16th June 2022
- Thursday 23rd June 2022
- Thursday 14th July 2022

This is a fantastic opportunity for your child, as it will allow them to continue to gain the skills and traits that will help them during their time at Barr Beacon School and beyond.

The Diana Awards Mentoring programme aims to pair volunteers from the world of work with young people to give them an insight into employment and career skills training. This mentoring programme is designed to raise career aspirations and help pupils to develop practical skills that they need to achieve their goals.

Once completed, pupils will have further opportunities to complete extra training through the Diana Awards.
