

Curriculum intent: Our curriculum provides pupils with the knowledge and experiences which will interest and empower them to make safe and informed choices, giving them the opportunity to learn more about the workplace and how to thrive within it and have the skills and confidence to make informed contributions to our democratic society

Curriculum rationale: Barr Beacon School's PSHE curriculum is designed in conjunction with government guidance to ensure our pupils are equipped for success during their teenage years and later in life. Our bespoke PSHE curriculum provides age appropriate and sensitive support for our pupils to allow them to explore and learn about themselves and the society that they are part of. Our pupils are proud to succeed and our PSHE curriculum is designed to give the support in their personal and social life as well as health and economic well-being to have the knowledge and wherewithal of their world to be successful and happy future citizens. Pupils learn about citizenship and the democratic society they are part of: this is clearly linked to our Beacon Values. E-Safety is the golden thread that runs across all of our PSHE lessons as we know that pupils need to be fully aware of how to keep themselves safe online at all times.

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
