Change to School Calendar 2023/2024

Dear Parent/Carer,

I write to you to share some updates. As a school we follow Walsall's pre-published term dates, which we publish on our website. Unfortunately, Walsall have written to us to explain that they have made an error which in turn means that our published dates for the start of the Autumn term 2023 were inaccurate. They have now been changed on the school calendar published on our website: <https://barrbeaconschool.co.uk/wp-content/uploads/2023/01/School-Term-Holiday-Dates-2023-24.pdf>

The Autumn Term will commence on Monday 4th September which is a Staff Training Day. **Pupils will start back to school on Tuesday 5th September 2023.** Apologies for any difficulties that this may cause.

If you have any questions, please contact postbox@barrbeaconschool.co.uk.

Yours sincerely,

Mrs K Hibbs
Headteacher
