Our Ref: KH/SF/cc/WalsallEasterHolidayProgramme

15th March 2023

Dear Parents/Carers

Walsall Easter Holiday Programme

Walsall Council have signposted an opportunity for children, aged between 5 and 16 years old, to join their Easter Holiday Activity and Food Programme (HAF), running from Monday 3rd April to Thursday 6th April 2023.

This programme is aimed at eligible children and their families to provide an opportunity to be active over the Easter holidays, meet other children and take part in activities they may not usually get the chance to try. At each activity, whether it is a holiday club or pick and mix session, a healthy meal will be provided.

This is open to Walsall residents that are in receipt of income-based free school meals. You may have already received a letter from Walsall HAF team, who will provide you with a unique access code. If you have not had one of these letters, please contact the HAF team by email (WR4C@walsall.gov.uk) or the Holiday Activities helpline on 01922 653899. You will need to provide your child's name, date of birth and address.

Further details, including how to book a place for your child, can be found by scanning this QR code.

For any other details please contact the Walsall HAF team on 01922 653899 or email WR4c@walsall.gov.uk.

In these challenging times some families may require the support of food banks. Support can be found here <https://bit.ly/3lgUkW2>.

Yours sincerely,

Mrs K Hibbs
Headteacher
