Changes to Public Bus Services: 934 & 5

There have been a number of times recently where Barr Beacon pupils who use the 934 and 5 public bus services have arrived late to school.

We have contacted the bus company directly to address this with them. Although they could not verify particular instances where their buses have been late due to a tracking system error, we have been informed that they have changed their timetable just prior to half term and this may have contributed to pupils being late to school.

The earliest time that the 934 leaves from Walsall Bus station is 8.00am. There is not another service until 8.30am. It is therefore essential that pupils arrive at their bus stop on time. Please find a link to the timetables of the 934 and 5 services below.

934: <https://nxbus.co.uk/west-midlands/services-timetables/934-birmingham-walsall>

5: <https://nxbus.co.uk/west-midlands/services-timetables/5-west-bromwich-sutton-coldfield>

We have also been made aware that there will be further timetable changes to public services from **Thursday 6th July 2023**. Please continue to check the National Express Bus website for updates.
