Dear Parent/Carer

World Challenge 2025 - Morocco

I am delighted to inform you of a once in a life time opportunity being offered to your child. Barr Beacon School is partnering with World Challenge for the fourth time to launch an exciting opportunity for July 2025. Your child has the opportunity to attend an expedition in Morocco. On Thursday 12th October 2023 your child attended an assembly to launch our next World Challenge adventure. This is a life-changing opportunity for students to explore Morocco with expert guides, while developing their life skills, confidence and independence. The expedition is a 13-night trip, which will include a community based project, a walking expedition in the Atlas Mountains and some rest and relaxation in Morocco seeing some of the beautiful sites the country has to offer.

Our World Challenge Coordinator will host a 20-minute **Zoom presentation on Thursday 19th October at 6pm**. The presentation will explain more about the logistics of the trip as well as the financial commitment and payment schedules etc. To attend, please [register for the Zoom presentation here](#).

Applications are already open, so please [visit our trip webpage](#) for the sign-up link, itinerary, travel dates, Covid-secure booking terms and trip cost – examples of how past students have earned this themselves will be covered in the talk.

If you require any further information please contact Miss Clarke via postbox@barrbeaconschool.co.uk
