We are Barr Beacon Day 2023

Dear Parent/Carer,

On 23rd November, Year 7 will be celebrating our 'We Are Barr Beacon Day.' Our Beacon Values are core to everything we do at our school. On this day we will be celebrating the value of 'Equal to everyone.'

During the day, pupils will be invited to think about their own identity and beliefs whilst finding out more about other cultures.

'We are Barr Beacon Day' will celebrate the Equalities Act 2010, which protects 9 characteristics within law. The Equalities Act is underpinned within our Beacon Value 'Equal to Everyone.'

Our pupils learn about these through our subject curriculum areas, our assembly programme, our PSHE programme, our Read2Succeed programme amongst others, as protecting these characteristics are of vital importance to being a good citizen. Later this year we will celebrate other areas within the protected characteristics.

We look forward to celebrating this special day with your child.

Please send any questions directly to postbox@barrbeaconschool.co.uk

Yours sincerely,

Mrs K Hibbs
