Dear Parent/Carer

I am writing to you to inform you that we have received communication from Walsall Vaccination Team regarding information of how parents and carers can book a final opportunity for your child to receive the Flu nasal spray.

We have been informed the flu nasal spray will NOT be accessible after the 15th December from any provider so this will be the final opportunity to receive the flu nasal sprays this year.

If you would like your child to receive the flu nasal spray, you can complete an online consent form using the following link:

<https://www.schoolvaccination.uk>

Alternatively, you can contact the Walsall Immunisation Administration Team by telephone using the following number:

01922 902035

The vaccination will NOT take place at Barr Beacon School and following your initial contact with the Walsall Vaccination team they will inform you of the nearest clinic that you can attend.

Yours sincerely

Mrs K Hibbs
