Discovery Week

Dear Parents/Carers

The booking system for Discovery Week has now closed. You should have received confirmation of the booking via the app and/or email. Each confirmation includes a unique booking reference for your convenience.

We understand that due to high demand, some activities may have reached their capacity. To accommodate everyone's interests, we've provided a link to a waiting list that was sent out to all parents via text message on Friday 15th December. This link will allow you to place your child on a waiting list for any activity they were unable to book initially. The link will remain active until 8th January.

In the coming month of January, we will contact you with detailed information regarding the payment schedule. We're aware that December tends to be a financially demanding month, and therefore, we want to ensure that you have ample time to organise payments, especially for any necessary deposits. Rest assured, we'll provide clear instructions on how to proceed with payments.

Should you have any queries or need further assistance, please don't hesitate to contact us by emailing postbox@barrbeaconschool.co.uk

Yours sincerely,

Mrs K Hibbs
Headteacher
