### Parking

Dear Parents/Carers

I am writing to request your support with regard to the appropriate use of cars and motor vehicles around the school site during drop-off and collection times. We have received several complaints from the school's neighbouring residents. I would like to therefore draw your attention to the following as key reminders:

- When dropping-off or collecting pupils, please do so at a point away from the immediate school vicinity and ask your child to walk any remaining distance
- Cars should not park or pull up on any of the double-yellow lines on Old Hall Lane
- Please refrain from driving into the staff car park/bus bay area to drop-off or collect. This can cause an obstruction to the school buses and has potential to create a serious hazard for pupils arriving or leaving the premises
- Please do not block drive ways or access points to other local sites

To ensure our school site remains safe and that our neighbouring residents are considered, it is important that we all adhere to the outlined reminders. Ensuring a safe environment for all pupils and staff is vital.

I thank you all in advance for your support and co-operation in this matter.

Yours sincerely,

Mrs K Hibbs  
Headteacher
