Year 11 Virtual Progress Evening: Mock Examination Results

Dear Parent/Carer

Please note that the final Progress Evening for Year 11 will take place on **Thursday 21st March 4:00 pm - 8:00 pm**

During the virtual event, you will have the opportunity to discuss the results of your child's final mock-examination series. Teachers will also provide important advice and guidance regarding how your child can effectively prepare for the summer examination series.

Due to the significance of this time for Year 11, we are also scheduling a five-minute appointment for all parents and carers to have a discussion with their child's Head of House or a member of Senior Leadership.

I have been extremely impressed with how the year group have conducted themselves during the recent mock-examination series and I hope that the event will prove useful for parents and carers to further support pupils in the final stage of their GCSE journey.

Important change to process for booking appointments

Whilst **School Cloud** will continue to serve as the platform for booking and conducting appointments, parents and carers will no longer require a separate login or PIN code for the system. The School Cloud software can now be accessed directly via **Weduc** by following the simple steps outlined overleaf.

If you are yet to set up your Weduc account, please note that an enrolment email has been sent to the email address registered with the school and instructions are contained therein.

Please be advised that the system will be open to make appointments on **Friday 8th March 4:00pm**. We expect the event to be popular and highly recommend early booking to avoid disappointment.

Should you require any assistance with booking appointments, please contact your House Office or email postbox@barrbeaconschool.co.uk

Logging onto Schoolcloud via Weduc

- Log on to your Weduc account as normal
- Select the name of your child
- Select the 'Parents evening booking' icon

- This will transfer you directly to your personal School Cloud booking page for the event

- Continue with normal steps to book appointments. A reminder that the 'automatic' function can generate all your appointments and that you are able to set your personal time preference
