Year 13 Virtual Progress Evening: Mock Examination Results

Dear Parent/Carer

Please note that the final Progress Evening for Year 13 will take place on **Thursday 11th April 4:00pm - 8:00pm**

During the virtual event, you will have the opportunity to discuss the results of your child's final mock-examination series. Teachers will also provide important advice and guidance regarding how your child can effectively prepare for the summer examination series.

I have been extremely impressed with how the year group have conducted themselves during the recent mock-examination series and I hope that the event will prove useful for parents and carers to further support pupils in the final stage of their A-Level journey.

Important change to process for booking appointments

Whilst **School Cloud** will continue to serve as the platform for booking and conducting appointments, parents and carers will no longer require a separate login or PIN code for the system. The School Cloud software can now be accessed directly via **Weduc** by following the simple steps outlined overleaf.

If you are yet to set up your Weduc account, please note that an enrolment email has been sent to the email address registered with the school and instructions are contained therein.

Please be advised that the system will be open to make appointments on **Friday 22nd March 4:00pm**. We expect the event to be popular and highly recommend early booking to avoid disappointment.

Should you require any assistance with booking appointments, please contact Sixth Form Office or email postbox@barrbeaconschool.co.uk.

Yours sincerely,

Mrs K Hibbs
Headteacher

Logging onto School Cloud via Weduc

- Log on to your Weduc account as normal
- Select the name of your child
- Select the 'Parents evening booking' icon
- This will transfer you directly to your personal School Cloud booking page for the event
- Continue with normal steps to book appointments. A reminder that the 'automatic' function can generate all your appointments and that you are able to set your personal time preference
