Dear Parent/Carer

Year 10 Virtual Progress Evening

Please note that the virtual Progress Evening for Year 10 will take place on **Thursday 2nd May 4:00 pm - 8:00 pm**

During the virtual event, you will have the opportunity to discuss the progress your child is making in each of their subjects. Teachers will also provide important advice and guidance regarding how your child can effectively prepare for the upcoming summer mock examination series.

Due to the significance of this time for Year 10, we are also scheduling a five-minute appointment for all parents and carers to have a discussion with their child's Head of House or a member of Senior Leadership.

Important change to process for booking appointments

Whilst **School Cloud** will continue to serve as the platform for booking and conducting appointments, parents and carers will no longer require a separate login or PIN code for the system. The School Cloud software can now be accessed directly via **Weduc** by following the simple steps outlined overleaf.

If you are yet to set up your **Weduc** account, please note that an enrolment email has been sent to the email address registered with the school and instructions are contained therein.

Please be advised that the system will be open to make appointments on **Friday 19th April 4:00pm**. We expect the event to be popular and highly recommend early booking to avoid disappointment.

Should you require any assistance with booking appointments, please contact your House Office or email postbox@barrbeaconschool.co.uk

Yours sincerely,

Mrs K Hibbs
Headteacher
