Year 10 Mock Examination Series

Dear Parent/Carer,

As year 10 begin their preparations for the upcoming mock examination series, please note the following key information:

- Year 10 pupils have this week been provided with an up-to-date progress report. Please contact your House Office if you have not yet received your child's report.
- During our virtual Progress Evening event, taking place tomorrow 2nd May 16:00 – 20:00, subject teachers will be providing valuable information regarding how your child can prepare for the mock series. Please note that there is a small selection of appointments still available. The online booking system can be accessed directly via your WEDUC home page. Please contact House Office should you require any assistance.
- Please note that your child will be provided with a wide selection of **revision resources** during form time tomorrow. We would therefore advise that pupils ensure they have adequate space in their bag or bring a spare carrier bag with them to school tomorrow.
- The mock examination series is scheduled to take place between Friday 7th June and Friday 9th July. Pupils will receive their examination timetable tomorrow and we will be continually providing Year 10 with important guidance and support during the period leading up to their mock examinations. I would like to highlight the importance of your child maintaining excellent attendance levels throughout this period if they are to achieve their potential.

Thank you for your ongoing support and please do not hesitate to contact the school should you have any queries via postbox@barrbeaconschool.co.uk

Yours sincerely

Mrs K. Hibbs
