Mensa Testing- Thursday 4th July 2024

We are proud to announce, that your child has been selected to take part in IQ testing provided by Mensa. This testing forms part of Mensa's outreach programme designed to inspire our Most Able pupils into exploring their gifts and talents.

Your child has been selected to participate in this process based on their consistent academic performances, starting with their SAT results in KS2. The test will be administered on the school site, on Thursday 4th July, commencing at 9:00am. The test will take 90 minutes to complete and results will be provided by Mensa in the early part of the next academic year. This test is an evaluation of IQ and there is no 'pass' or 'fail' as the results serve as a measure of individual intelligence. From the results obtained, we can gain further insight into your child's academic potential and Mensa may even consider membership offers to their exclusive organisation, depending on individual performances.

If you have any queries, please contact Mr Harris. (Assistant Headteacher)

Yours sincerely

Mrs K Hibbs
Headteacher
