**RE: Staying Up To Date With Barr Beacon School News via WEDUC**

Dear Parent/Carer,

Our records indicate you have downloaded our WEDUC 'Reach More Parents' app to stay updated with news from Barr Beacon School.

We want to help you get more out of this app so you can access all the features available as an 'active user.'

Some of the important features of this app are:

- **Dashboard** – highlights important information and featured posts relevant to your child's year group
- **Newsfeed** – see the latest posts and filter by child if you have more than one child at Barr Beacon School
- **Calendar** – see relevant events to your child's year group and sync to your Google or iCal so you never miss an important event
- **Messages** – access all the latest messages and sort them into folders
- **Parent Portal** – child-specific items such as payments
- **Hub** – find all the important school documents for reference (policies, food menus etc)

There is a '**Walkthrough**' guide on YouTube for parents to get the most out of this important app and this can be accessed here:

A **Frequently Asked Questions** page <https://www.reachmoreparents.com/parent-support> also provides any support that parents may need with specific aspects or features of the app.

We look forward to you engaging with this important app which will help you stay up-to-date with the latest news and events as your child progresses through Barr Beacon School successfully.

Yours sincerely,

Mrs K Hibbs
