ADMISSION ARRANGEMENTS 2026-2027

Barr Beacon School is a mixed 11-18 Academy with 1502 pupils. The school's admission policy is in accordance with the guidelines below:

Entry into Year 7 September 2026

Pupils will be admitted without reference to ability, aptitude, race or religion. The Published Admission Number in 2026 will be 252.

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below:

1. Children in Public Care (looked after children) and previously looked after children

Definition: A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions.

2. Where a child has an older sibling currently attending the school when the application is made and who will be still attending the school in Years 8 – 11 in September of the relevant year. Siblings of Sixth Form students DO NOT qualify for a sibling claim.

Definition: a child who resides at the same address as the child for whom a place is being requested and is one of the following:

- A brother or sister sharing the same parents
- Half brother or sister sharing one common parent
- Step brother or sister (i.e. related by parent's marriage)
- Any other child for whom it can be demonstrated that he or she is residing permanently at the same address (e.g. under the terms of a residency order)

. Where there are essential medical or social grounds for admitting the child

Definition: relevant medical or social grounds that show that attendance at the school is essential and supported in writing by a medical practitioner or social worker. Requests for such consideration will be subject to verification by Governing Body.

4. Children of Staff employed at The Academy

Where a member of staff (**) has been employed at The Academy for two or more years at the time at which the application for admission is made/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage / or the member of staff has been seconded to support another school within the Matrix Academy Trust.

- ** All full time teaching staff
All full time support staff – (defined as those on a 37 hour week and above contract)

The definition does not include contract staff. If service has been 'in house' and is subsequently 'contracted out' children of staff will no longer be eligible for priority admission under this criterion.

5. Pupils from feeder Primary Schools – Meadow View JMI, Park Hall Junior Academy, Pheasey Park Farm Primary living within 2.9 miles of Barr Beacon School, as measured by a straight line.

In the event of oversubscription from feeder primary schools' students living closest to Barr Beacon School will be given priority

6. Proximity of the child's home to the school, with those living nearest being accorded the higher priority, the distance being measured in a straight line

Definition of home address: the home address of the child is considered to be the permanent residence of a child in a residential property when the place is offered. The address must be the child's only or main residence and is either owned by the child's parent, parents or guardian or leased to or rented by the child's parent, parents or guardian under lease or written rental agreement of not less than six months duration.

Where parents have shared responsibility for the child and the child lives with both parents for part of the week then the main residence will be determined as the address where the child lives the majority of the week. If the child equally shares living with both parents, the parents must inform the Local Authority which address should be used for admission purposes and which parent will make the application. Parents will be requested to supply documentary evidence to support the address used for the application.

Distance will be measured in a straight line from the centre point of the home address to the centre point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

In the event of an oversubscription in any of the above categories, places will be allocated according to those that live closest to Barr Beacon School as calculated on the basis of a straight-line measurement between the home and school whose circumstances remain unchanged on the day of admission.

The school reserves the right to withdraw the offer of a place if a change in circumstances between allocation and admission would have resulted in a child not being offered a place at the time of allocation.

Children with an EHCP

Any child with an Education Health & Care Plan is required to be admitted to the school that is named in the plan. This gives such children overall priority for admission to the named school. This is not an oversubscription criterion.

Applications for children to be admitted outside of their normal age group

Parents who wish for their child to be considered for admission to a class outside of their normal age group must make an application for the normal age group in the first instance by 31st October 2025. This will include parents whose child is currently being educated outside of their normal age group but where the child has reached the normal age of transition to secondary school (i.e. normal age group is Year 6; however child is being educated in Year 5). Parents may request that the child continues to be educated outside of their normal age group and be admitted to Year 7 in September 2027 rather than Year 8.

Any parent wishing to make such a request must put the request in writing to the Clerk to the Academy Trust Boards Admission Committee by no later than 31st October 2025. This request should be in the form of a written letter of application outlining the reasons why they wish for their child to be admitted into a class outside of their normal age group and enclosing any supportive evidence and documentation that they wish to be taken into account as part of that request. Requests will be considered on an individual basis and decisions will be reached by taking account of the parent's views; information about the child's academic, social and emotional development; where relevant, their medical history and the views of a medical professional; whether they have previously been educated out of their normal age group; and whether they may naturally have fallen into a lower age group if it were not for being born prematurely. The view of the **Headteacher** of the preferred school concerned will also be sought as part of the decision-making process.

If the request is agreed and the year group for which the parents have requested a place is for a future year group, i.e. Year 7 in September 2027, then the original application is withdrawn, and the parents must submit a fresh application for a school place in September 2027 when applications open in the autumn term of 2026. **Please note that parents only have the right to defer their application and re-apply for a place.**

Where the decision is to agree the request for an application in Year 7 the following year, that application is considered alongside all other applications received and parents will be advised of the outcome of that application on national offer day. **No place is reserved or held for the child in advance.**

Parents should be aware that if the request is agreed and the child is admitted outside of their normal age group in September 2027, the child will remain with their adopted cohort and be educated outside of their normal age group for the remainder of their education at the school. However, should a request be made to transfer from the allocated school to an alternative school, parents will need to apply to the admission authority of the new school to request that the child continues to be educated outside of their normal age group. Before any application is submitted it is strongly recommended that parents/carers also read the DfE guidance which can be found at: <https://www.gov.uk/government/publications/summer-born-children-school-admission>.

Entry Requirements for Year 12 – Entry in September 2026

The maximum sixth form capacity for Year 12 external candidates for September 2026 is 10. This number may be exceeded if demand for available courses can be met.

Minimum entry requirements for Year 12

Students will be considered for entry into Year 12 based upon their academic attainment and/or individual subject grade criteria and the availability and suitability of courses at Barr Beacon School.

Barr Beacon School's minimum entry requirements for post 16 studies are as follows:

GCSE Mathematics at Grade 5 or above, GCSE English (Language or Literature) at Grade 5 or above and 4 other subjects at Grade 4 or above, with particular criteria for certain subjects.

Students refused a place in Year 12 are entitled to appeal to an independent appeal panel

To progress from Year 12 to Year 13, students must meet the academic selection criteria we set. Students will be notified of these criteria prior to them taking up their places in September of Year 12.

Late Applications (Year 6 – Year 7 transfer Transition Only)

A late application is an application form received after the published closing date. Late applications will normally be considered for places after applications that were received by the closing date. Late applicants may be less likely to be offered a place at the school.

When places are offered, applications received by the closing date and valid late applications (see below) will be considered first.

Late applications received before the notification date (before places are offered):

Applications received by the closing date and valid late applications (see below) will take priority when places are offered.

Valid late applications can only be considered if the application form is received within four weeks of the closing date.

Explanation of valid late applications:

There are limited circumstances when a late application may be categorised as a valid late application and considered together with those applications that were received by the closing date.

A late application may be considered as a valid late application where:

- The family were unable to complete an application form before the closing date because they moved into the Borough of Walsall after the issue of application forms.

OR

- The family were unable to comply with the admissions timetable because of exceptional circumstances which prevented the application arriving on time – the circumstances must be given in writing and attached to the application form.

Applications received after the Notification Date (after places are offered):

Where the school is over-subscribed an application for a place which is received after places have been offered will be added to the school's waiting list in admission criteria order.
