After School Master Class Programme

Dear Parent/Guardian,

To continue to support our pupils in securing and deepening their understanding of course content, we are launching an After-School Masterclass Programme. Commencing the week beginning 28th April, these sessions will be run by teaching staff and will focus on reinforcing key concepts, addressing areas of difficulty, and providing additional learning opportunities for pupils. Sessions will run after school from 3:15pm till 4pm.

Each week, specific masterclasses will be scheduled based on the needs of pupils. Invitations will be extended to pupils who would benefit most from attending. If your child is invited to attend, they will receive a sticker in their planner with the details of the day and subject for the session. Additionally, the invitation will appear on your child's ClassCharts account.

Sessions will provide an opportunity for pupils to receive focused support, and deepen their knowledge in a structured environment. We encourage you to support your child in attending whenever possible. Pupils who attend the masterclasses will receive a positive point on ClassCharts as a recognition of their commitment to their learning.

Thank you for your continued support. If you have any questions or would like more information, please do not hesitate to contact Mrs Sadler via postbox@barrbeaconschool.co.uk.

Yours sincerely

Mrs K Hibbs
