## **Reading Plus – Reading Intervention**

Dear Parent/Guardian,

We are pleased to inform you that your child has been selected to take part in our **Reading Plus Project** starting on **28th April 2025**. This initiative is designed to support pupils whose reading ages are currently below the national average, ensuring they develop the necessary literacy skills to fully access the curriculum.

### **What is Reading Plus?**

Reading Plus is a **computer-based programme** that assesses each pupil's reading ability and tailors comprehension-based lessons to their individual needs. The programme adapts to the pupil's progress, helping them build fluency, comprehension, and confidence in reading.

### **How will this work?**

- Pupils will attend Reading Plus sessions **on Monday, Thursday, and Friday** instead of going to their usual form time.
- They will be placed in a form group with **Miss Porter and Mr Hayward** for the duration of the programme.
- The sessions will continue **until their reading improves** to a level that allows them to effectively engage with the national curriculum.

We firmly believe that this is a fantastic opportunity for your child to enhance their reading skills, which will, in turn, have a positive impact on their performance across all subjects. We encourage them to fully engage with the programme and make the most of this tailored support. We urge you to support your child by continuing to ensure they have access to reading materials at home and supporting them in their reading.

If you have any questions or would like to discuss this further, please do not hesitate to contact us via [postbox@barrbeaconschool.co.uk](mailto:postbox@barrbeaconschool.co.uk).

Thank you for your support.

Yours sincerely

Mrs K Hibbs  
Headteacher

Miss Porter  
Assistant Headteacher
