### **Advance Notice of Temporary Road Closures**

Dear Parent / Carer,

We have been informed by South Staffs Water that they are planning maintenance work which will lead to closures to roads around the school. The work is planned to take place between Monday 12<sup>th</sup> May – Sunday 1<sup>st</sup> June 2025.

#### **How will this affect traffic accessing the school site?**

A road closure will be in place on Beacon Road at the junction of Pinfold Lane, next to Bella Pais Close.

A diversion route will be set up to access Pinfold Lane via Queslett Road and Beacon Road onto Old Hall Lane. Please follow the link for a detailed map of diversions

<https://bit.ly/3GloYBT>.

Access to school will be via Queslett Road or Chapel Lane.

Please be mindful of the dates that the road closures will be in place as this will inevitably lead to delays to typical journey times. If you drop your child off near to the school, keep in mind the impact of the road closures on your usual drop off point.

The buses that access the school site will still run and will be able to access the site as usual. The school gates will continue to open at 8.20am and close at 8.35am. If pupils are late, they should enter via the Late Gate entrance on Old Hall Lane. Allowing plenty of time for travel should enable pupils to continue to arrive punctually to school.

Unfortunately, this will fall during the exam series so it is very important that when pupils and students have exams that they have carefully considered the arrival time required to ensure that they are present and prompt for their exam.

Unfortunately, this maintenance work is beyond our control and we appreciate your support to ensure pupil's journeys to school continue as smoothly as possible.

Yours sincerely,

Mrs K Hibbs  
Headteacher
