Warmer Weather

Dear Parents / Carers,

As we head into another warm period of weather, I write to share with you reminders that pupils receive daily:

Uniform:

While the temperatures remain high, we will have 'Blazers Off' days. Pupils are not permitted to wear a jumper instead of a blazer. When pupils remove their blazers, they are expected to have their shirts tucked in and their top buttons done up. Ties must always have six stripes visible. Skirts must not be shorter than 5cm above the knee and should not be rolled over.

In addition, it seems that the latest craze is nose piercing. We do not permit any piercings other than one set of plain gold or silver studs in the earlobe. Clear retainers are not permitted. Pupils will be directed to remove any other piercings and items may be confiscated for parental collection. False eyelashes are also not permitted.

In line with the Home School Agreement, we expect pupils to wear their uniform with pride both in school and whilst in the community to uphold our high expectations.

Water Bottles:

We are a drink to think school. This is especially important during hot weather. Pupils are expected to carry a water bottle at all times and use the water dispensers to fill the bottles before school or during break and lunch times. Pupils cannot leave lessons to refill bottles. We do not issue disposable cups.

Alternatively, pupils can purchase drinks during break and lunch time. However, only water is permitted in lessons.

If your child's Parentpay account is not in credit, they cannot borrow for food or drinks. If you experience any difficulties with accessing your child's Parentpay account, please contact your child's House Office who will be able to support you or email postbox@barrbeaconschool.co.uk.

Thank you for your continued support in ensuring your child meets the expectations of our school.

Yours sincerely,

Mrs K Hibbs
Headteacher
