### **Your Voice Matters – Half-Termly Pupil Voice Survey**

Dear Parents and Carers,

We are pleased to let you know about the launch of a new initiative at Barr Beacon School, designed to ensure that all pupils have regular opportunities to share their thoughts, ideas, and experiences of school life.

Starting this next week, we will be introducing a half-termly pupil survey called Your Voice Matters. This survey aims to engage pupils more deeply in their school community and to encourage thoughtful, constructive contributions about how we continue to grow and improve together.

The survey will ask pupils about a range of areas including the quality of education, behaviour and attitudes, personal development, pastoral care, and life beyond the classroom. It will also give pupils the chance to suggest ways in which we can make positive changes, both big and small.

Importantly, we will always respond to pupils' feedback through a "You Said, We Did" approach. This ensures transparency and accountability by showing how their voice has had an impact. We will also take the time to explain the rationale behind decisions – especially in situations where suggestions may not be possible due to feasibility, cost, or other constraints. We believe this open dialogue is key to helping pupils understand the responsibilities and realities involved in decision-making.

Our aim is to empower pupils to see themselves as active members of a wider community and to help them develop the skills and mindset of engaged young citizens – confident in expressing their views and understanding how change happens.

Thank you for your continued support. If you have any questions about Your Voice Matters, please do not hesitate to contact us via [postbox@barrbeaconschool.co.uk](mailto:postbox@barrbeaconschool.co.uk).

Yours sincerely,

Mrs K Hibbs
