

## Language Nut

Access Language Nut via their website: [www.languageanut.com](http://www.languageanut.com) or download the mobile app from the apple or android app store.

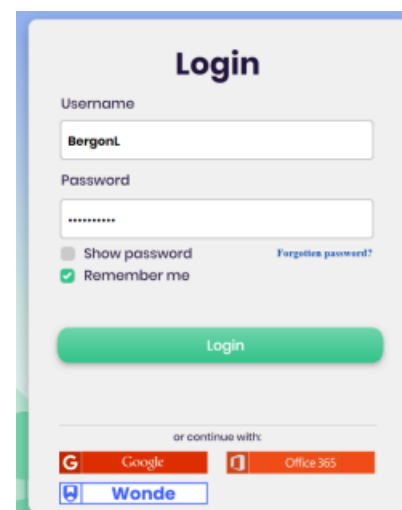

This will take you to their homepage as shown below. To login, please select this option.

### Logging in to Language Nut

To login to Language Nut you will need the username and password that you have been given by your Maths teacher.

If you have lost your login information, you will need to speak to your Languages teacher.

 The login form is titled 'Login'. It has two input fields: 'Username' with the text 'BergoniL' and 'Password' with a masked password '\*\*\*\*\*'. Below the password field are two checkboxes: 'Show password' (unchecked) and 'Remember me' (checked). A blue link 'Forgot your password?' is to the right of the checkboxes. A green 'Login' button is below the form. At the bottom, it says 'or continue with:' followed by three buttons: 'Google' (with a G icon), 'Office 365' (with an O icon), and 'Wonde' (with a W icon).

### Accessing Homework and Independent Tasks

Upon logging in to Language Nut, select the Assignments option as shown below.

Here you will see the tasks that have been set by your teacher, click on the blue link to open the tasks and follow the on-screen instructions to complete.
