

## Sixth Form Charity Sports Afternoon

Dear Parents/ Carers,

We are pleased to inform you that our **Sixth Form Charity Sports Afternoon** will take place on **Thursday 2nd October during Period 5**.

From **2:00pm**, Sixth Form students will take part in a **House Competition** featuring traditional "old school" sports day activities, including the **egg and spoon race, relay race, and sack race**. This event is designed to be a fun afternoon that also raises money for charity.

Students are permitted to attend school in **sportswear** on this day. Please note:

- Cropped tops and clothing with offensive or inappropriate language/images/slogans are **not allowed**.
- Trainers must be worn (converse-style shoes are not suitable).
- Students are expected to attend lessons as normal throughout the school day, with the sports afternoon taking place during Period 5.

All students will be expected to participate in the event, either as **competitors or spectators**.

To support fundraising, there will also be a **charity food and drink stand** offering **autumn treats at 50p each**. Students are asked to bring **small change** if they wish to make purchases.

We look forward to an enjoyable afternoon of competition, community spirit, and charitable giving.

Yours sincerely,

Mrs K Hibbs  
Headteacher
