Careers Fair
Thursday 25th September

Dear Parents/Carers of Year 11 pupils and Year 13 students

Every year we organise a Careers Fair in school for our pupils. Representatives from a range of career and learning choices set up stands in our Sports Hall and answer any questions our pupils have about their next steps choices.

This year we have decided to open up the fair to parents of Year 11 pupils and Year 13 students. As they are at a crucial stage in their next steps decisions, parents are invited to join their child in the fair if they are able to. Parents/Carers can visit the fair from 11.10am to 12.00pm.

The fair will take place in the Sports Hall. Parents/Carers will need to enter the fair via the Sports Hall gate, which will be staffed from 11.10am. Please do not go up to Main Reception. Due to safeguarding measures in place for this large event, parents/carers will not be able to visit any other location on site on this day.

Overleaf you will find a list of guests who have signed up to join us as this year's event. Please note that we sometimes get last minute cancellations from guests and we cannot guarantee everyone will attend on the day.

Please complete this short form if you wish to attend:

We know that it is not possible for some parents/carers to attend due to the time of the event. A great alternative is the What Next event at the NEC on Saturday 28th February:
