1st October 2025

Barr Beacon School
www.barrbeaconschool.co.uk

Dear Parents and Carers,

At the start of this academic year, Barr Beacon School introduced Class Charts to help strengthen the connection between school and home. However, our records show that you have not yet signed up to the system.

Class Charts is a user-friendly platform that gives you real-time updates on your child's school life, including:

- Homework tasks, with deadlines and instructions
- Behaviour updates and rewards
- Detentions, including date and duration

This platform replaces traditional school planners and is now our main method of sharing key homework and behaviour information.

How to Access Class Charts

You can access Class Charts via their website (www.classcharts.com) or by downloading the free Class Charts Parent App on any mobile device.

Your login details will be sent to the email address registered with the school by the end of this week. Please check your junk/spam folders if you don't see the email. If you still haven't received your login details, contact us at postbox@barrbeaconschool.co.uk so we can assist you.

Full guidance on using Class Charts, as well as other online learning platforms we use, is available on our website: <https://barrbeaconschool.co.uk/online-learning/>

How you can Support at Home

Homework is a vital part of your child's education. You can support them by:

- Checking Class Charts regularly for updates
- Creating a quiet and calm space for completing homework
- Encouraging your child to plan ahead and ask for help when needed
- Reminding them to attend Homework Club if support is needed

Homework Club

To support pupils in accessing and completing homework, we run an after-school Homework Club in the iCentre:

- Monday to Thursday: Until 4:00pm
- Friday: Until 3:30pm

All students are welcome to attend.

Thank you for your continued support in helping your child make the most of their learning.

Yours sincerely,

Mrs K Hibbs
Headteacher
