Code of Conduct for Live Lessons

1. **Your camera must remain switched off at all times.**
2. **Your microphone must remain muted at all times**
3. **Asking questions during the lesson**
   If you need to ask your teacher a question or contribute to the lesson, you must use the chat or Q&A function.
   Please be patient—your teacher will respond as soon as they are able.
4. **Language and behaviour in the chat**
   All messages you send must be:
   a. Polite
   b. Respectful
   c. School-appropriate

   Any misuse of the chat or Q&A—such as rude comments, off-task messages, or inappropriate language—will result in a detention.

How to Access Live Lessons

Live Lessons will be made available to you via Class Charts and will run on Teams. Your teacher will share a link on Class Charts that you will need to click on to open your Live Lesson.

Friday 9th January Period 2 Computer Science

COMPUTER SCIENCE - 13B/CS1 - MRS S SADLER

How to Access Live Lessons

Barr Beacon School
'Proud to Succeed'

You will first be presented with the screen below, select “Continue in Browser”. If you are using a mobile device or tablet, installing the free Microsoft Teams app will make this process easier.

Once Teams loads you will see the screen below. You will not be able to turn your camera or microphone on. Select “Join Now” to enter the lesson.

Once in the meeting you will be able to communicate with your teacher only in a written format.

'Proud to Succeed'

Your teacher will either be using the “Chat” function or the “Q & A” function. Both can be opened from the top menu as shown below.

Chat

If you teacher is using the Chat function, this works as with any instant messaging service. Remember that all comments made are visible and being monitored by your teacher.

Q & A

This function allows you to ask specific questions to your teacher, and for your teacher to respond back to you. Again every question is visible to your teacher and will be monitored.
