Tuesday 3rd February 2026

Dear Parent/Carer,

### Year 12 Sports & Exercise

Barr Beacon School  
[www.barrbeaconschool.co.uk](http://www.barrbeaconschool.co.uk)

We are writing to inform you of an educational visit for our Year 12 Sport and Exercise Science students to the University of Wolverhampton, on Friday 13th February 2026. As part of their course, students have been invited to take part in an athletic data collection session at the University, providing them with valuable practical experience that directly supports their studies.

Students will leave the school site at 12:00 pm and return, traffic dependant, by 3:00 pm. Travel to and from the University will be arranged and supervised by Mr Lennard and Mr Harris. As students will return to school in time for the normal end of the school day, there will be no requirement for alternative travel arrangements home.

To ensure students are appropriately prepared for the physical testing involved, we advise that they consume food during break time on the day of the visit. In addition, students should bring any extra food items they may wish to consume after testing has been completed.

Please confirm that your child's medical details are up to date and there have been no changes. If you have any questions regarding this visit, please do not hesitate to contact Mr M Harris, Director of PE on [postbox@barrbeaconschool.co.uk](mailto:postbox@barrbeaconschool.co.uk).

Yours sincerely,

Mrs K Hibbs

Headteacher
