

KH/RP/TM/NeuroDiverseWeek

20th March 2026

Dear Parents and Carers,

Neurodiversity Celebration Week 2026

As part of our commitment to celebrating inclusion and our school values, we will be recognising Neurodiversity Celebration 2026 with a special assembly for all pupils. During the assembly, pupils will learn about neurodiversity and how the different ways people think, learn and experience the world can be a real strength. We will celebrate the importance of being unique and highlight our Beacon Value of being yourself and never discriminating against others.

To help mark the occasion, on Thursday 26th March 2026 we are inviting pupils to take part in a small symbolic activity. On the day, pupils can either wear odd socks or choose a different tie to represent individuality and to show their support for celebrating difference, for example a dickie bow. **No other items of uniform can change.**

This simple gesture is a way of recognising that everyone is different and that these differences should be valued and respected. All other aspects of the school uniform should remain the same and participation is of course optional.

We look forward to an engaging and positive day that helps pupils understand the importance of inclusion and celebrating what makes each of us unique.

Thank you for your continued support.

Yours sincerely

Mrs K Hibbs
Headteacher
