Dear Parent / Carer,

Exam Support

Barr Beacon School

I hope you all had a restful break and pupils achieved a balance between rest and revision. www.barrbeaconschool.co.uk

I write to remind you as we edge into the final push towards the exams that there are a number of support mechanisms available to pupils beyond their usual daily timetable.

Additional guided revision delivered by staff is available in the following ways:

6/7 Club runs for English on Tuesday evenings with Maths running on Wednesday evenings. These sessions are open to all Year 11 pupils and provide support with target areas while pupils are at home. Pupils can access these sessions from their TEAMS accounts.

If you know that your child isn't completing as much revision as they need to or if their revision isn't as comprehensive as it could be, please encourage them to attend the opportunities available to them.

A reminder that the exam timetable can be found here [Summer26 Provisional.xlsx](#).

Every hour counts now for pupils and a commitment to achieving 100% attendance is vital. We have mechanisms of support in school through our Pastoral and Well Being Teams who can help pupils that may be feeling anxious, but we need them in school to be able to provide this support.

Please contact postbox@barrbeaconschool.co.uk if we can support you or child.

Yours sincerely
