RSHE Parent/Carer Consultation: Survey

I would like to thank all parents and carers who attended our recent Relationships, Sex and Health Education (RSHE) consultation event. We greatly appreciated the opportunity to share our proposed curriculum, answer questions, and hear your valuable feedback.

At Barr Beacon School, we believe that a strong partnership between home and school is essential in supporting the personal development, wellbeing, and success of our young people. RSHE plays an important role in helping pupils develop the knowledge, understanding, and skills they need to navigate relationships, make informed decisions, and stay safe both now and in the future.

As we continue to refine and develop our RSHE curriculum, we are keen to ensure that the views of our parents and carers are fully considered. Your perspectives help us create a curriculum that reflects the needs of our school community while meeting statutory requirements and supporting pupils' personal development.

Whether or not you were able to attend the consultation event, we would be grateful if you could take a few minutes to complete our RSHE Parent and Carer Survey. Your feedback will help inform the final development of our curriculum and strengthen the partnership between school and home.

Please complete the survey using the following link:

We are committed to continuing to build positive and meaningful relationships with our families and value the important role that parents and carers play in supporting their children's education. We look forward to working together to ensure that our RSHE provision equips pupils with the knowledge and confidence they need to thrive.
