

13th July 2026

Dear Parents and Carers,

Year 13 A Level and BTEC Level 3 Results Day

Barr Beacon School
www.barrbeaconschool.co.uk

We are looking forward to welcoming Year 13 into school on Thursday 13th August to collect their A Level and BTEC Level 3 results. **We respectfully request that parents do not attend with their child to collect results** and that you allow your child to attend school on their own or arrange a place away from school to meet them after they have collected their results. Please take a moment to read the following points:

1. **Results Day arrival** - students should report to the **icentre** to collect their results between **8.00am - 11.00am on Thursday 13th August**.
2. **Special Consideration** - if you made us aware of a **serious situation** that may have affected your child's performance during the lead up to or the exam period, then we will have applied for special consideration with the exam boards on their behalf. You will shortly be receiving a separate letter outlining the status of your child's application for special consideration and the possible outcomes and appeals process.
3. **Onward Destinations** – we need to keep a record of your child's intended onward destination before they leave site on Thursday 13th August.
4. **For students who have applied to university** - UCAS Track will be available to check from 8.00am so that students can see the status of their offers. If their offer is confirmed, they do not need to do anything further. Staff will be on hand to support students if they are still awaiting final decisions from universities; have been offered an alternative course, want to change their course or university, or are in clearing. Students have also been prepared for what to expect on Results Day with a session in school. A useful summary can be found [here](#).
5. **Requests for remarks** – on your child's results statement, the exact number of marks per paper per subject and overall subject marks will be shown. From this, you can compare against the grade boundaries that the exam boards will publish on results day. If after seeing the overall marks and grade boundaries, you wish to request an exam paper to be re-marked (and your child does not meet any of the criteria above) then there is a fee for this service which we will usually ask parents to pay. Dependent on the exam board, the fees are around **£50 PER PAPER** (priority remark) OR **£45 PER PAPER** (non-priority remark). These fees are set by the exam boards, not the school. Remarks will not be processed until payment has been received. The deadline for requesting and paying for **priority** remarks is **Thursday 20th August** and **non-priority** remarks is **Thursday 24th September**. Payments will be required via ParentPay. Please select the right option under '**post results services**'. Please be advised that it is possible for marks to decrease as well as increase and that the remarked total is the one that then counts. If the overall grade increases, a refund will be issued back to ParentPay from the exam board.

6. **Retakes** – we do not allow Year 13 students to retake A Levels or BTEC Level 3 courses. If your child wishes to retake before re-applying to an onward destination, then they must enrol at another institution to retake the exams at the next available sitting (Summer 2027). Please be reminded that education is only fully funded until the age of 18 and as such there is likely to be a significant charge. For further information please contact gkillick@barrbeaconschool.co.uk
- **Access to Scripts** - it is possible for candidates to request the original exam script or copies of the exam scripts. There is an administration cost of £3 per paper for this service. Requests for scripts will not be processed until payment has been received. The deadline for requesting and paying for scripts is Thursday 24th September. Please note that for certain exam boards, you cannot request a script before it has been remarked or if special consideration has been applied onto that paper.
 - **School use of scripts** - Schools often request access to candidate scripts for teacher training purposes. If you wish to opt out of the possibility of your child's exam scripts being used anonymously for training purposes, please email postbox@barrbeaconschool.co.uk no later than **Friday 25th September**.
 - **Unable to collect results in person** - if your child is unable to attend on results day, an email must be sent to postbox@barrbeaconschool.co.uk before Thursday 13th August to make arrangements for results collection. Results will only be emailed to your child's school email address (accessible via the school website) and it is advisable that they keep a note of their log in details, especially if they are going to be abroad. Emailing of results will commence after 10am on Thursday 13th August. Results envelopes will only be handed to another nominated person if there has been express prior consent by the pupil to postbox@barrbeaconschool.co.uk via their school email address which names the person collecting and their relationship to them. This person must have an approved form of government photo ID on them (e.g passport or driving licence) and they must sign to say they've collected the results.

Finally, I wish to thank you for all the support you have given during your child's time at Barr Beacon School and I wish them every success in their next steps.

If you require any further information, please email postbox@barrbeaconschool.co.uk.

Yours sincerely

Mrs K Hibbs
