There will be no opportunities for pupils to purchase additional food, or souvenirs so should not be sent with any additional money.

Uniform & Footwear

Pupils will need to wear swimwear to participate in this activity. It would be beneficial for pupils to come to school wearing their swimwear underneath their clothing to speed up the process of changing when we arrive at Cliff Lakes. Pupils will be provided with a wetsuit when they arrive at Cliff Lakes. Pupils can bring a pair of old trainers to use when participating in the aqua chimp part of the water activity.

Pupils should bring dry clothes to change back into for their return to school and also need to bring a towel with them. If it is a warm day, pupils will need to wear sunscreen.

Medical Conditions

If your child has an EpiPen, inhaler or any other medication that they are required to carry in the event of an emergency, please ensure that they have this with them in a clearly labelled package. Staff can look after this medication during the school day if necessary. If this medication is not supplied, it may prevent your child from completing the activities outside of school.
