Extra Curricular Opportunities

Dear Parents and Carers,

We are delighted to announce the launch of our exciting new programme of extra-curricular activities!

We strongly encourage all pupils to get involved and take advantage of the fantastic opportunities available to them beyond the classroom.

Extra-curricular activities are a brilliant way for pupils to discover new interests, develop talents and build confidence. Whether they choose sport, music, creative activities, clubs, competitions or other enrichment opportunities, taking part can help pupils to:

- Develop confidence, independence and resilience
- Build positive friendships and teamwork skills
- Develop new skills and discover new interests
- Support physical and mental wellbeing
- Develop commitment, responsibility and perseverance
- Create memorable experiences and opportunities to succeed outside the classroom

We would love to see as many pupils as possible getting involved! There is something for everyone, and pupils do not need to be an expert or already have experience — they simply need to be willing to participate, learn and have fun. There is no need for pupils to pre-register for our extra-curricular clubs; they can simply come along and join in.

Thank you for your continued support in encouraging your child to make the most of these opportunities. We look forward to seeing our pupils getting involved and trying new things.

Yours sincerely,

Mrs K Hibbs
Headteacher
